Queen Elizabeth School School Song

Bring to our song the thankful soul,
The loving thought, the shining dream;
And let us all as one extol,
Our general and our several theme,
Our School of royal title,
Bring great gladness to her honouring.

Elizabeth a queenly name,
Begins the song and so begun.
Fair be our School's advance and fame,
And ever new her glory won.
The glory of the wise and good,
And old truth newly understood.

May knowledge from our works increase,
And serve the world and spread the light;
Be ours to share an active peace,
Among ourselves first learned aright;
And from this School let this be shown.
"T'was mine, but was not mine alone."

Now close the song; and close in full,
Re-echo, "Queen Elizabeth School".

Message from Chairman of QESOSA and QESOSAEPPO

Dear Fellow Old Students,

2014 marks the 60th anniversary of Queen Elizabeth School. Founded in 1954, QES is dedicated to providing all-round education to students, where emphasis is placed on learning through a magnitude of extra-curricular activities. Old students of the 6 decades not only strive to excel in their career, but also commit themselves to serving society in different capacities.

Some 20 years ago, a group of old students embarked on practising the school motto and spreading the light of QES by providing quality education to the community. Since then, they established 2 primary schools and 2 secondary schools in Tin Sui Wai. The 4 schools have become popular in the community enjoying good reputation.

To ensure that the quality of the schools is sustainable, EPO has been focusing its effort on enhancing teaching effectiveness and the articulation of curriculum in the past few years. A professional development team was formed 2 years ago for this purpose. As a result of the hard work of the team and the proactive participation of the schools, not only have teachers largely enhanced their professional competence, but more importantly they have also extended their school-based learning community to a cross-school level.

Old students are thankful to QES for their rich and memorable secondary school life. In order to express our gratitude to our alma mater, OSA has prepared a series of events to celebrate this 60th anniversary milestone of QES. We started the preparation work for QES60 in late 2012 together with QES and QES Parents-Teachers' Association, and our work came to a full swing in 2014.

The anniversary celebration will be kick-started by the Mosaic Wall Unveiling Ceremony at QES on 23 September 2014. Celebration activities will last throughout the school year with the QES variety show in July 2015 as the grand finale.

A series of sports events are being organized by OSA for QES60. Besides the annual Ball Games Tournaments, there will be a Golf Tournament on 28 November 2014. A QES60 team will be formed to join the Standard Chartered Marathon in 2015. Thanks to the invitation of our alma mater, there will be alumni events in both the QES Sports Day (16 September) and the QES Swimming Gala (3 October) as well.

The 60th anniversary festivities will culminate in the QES60 Gala Dinner which will be held on 22 November 2014 at AsiaWorld Expo. The Dinner is definitely THE OCCASION to reconnect with your classmates, teachers and principals of various decades. Dr Arthur Hinton is also planning to join the Dinner to share this precious occasion with us.

QES will have its Open Day from 12-13 March 2015 and the Homecoming Day will fall on 14 March 2015. Alumni talks and a school camp visit will also be organized in the second semester of the school year.

Two publications, namely “伊利沙伯·香港” and “Tribute to QES”, will be produced to commemorate the 60th Anniversary of QES. In addition, we have prepared crystal key chains, ties, and USB memory sticks as QES60 souvenirs.

The Fund Raising Campaign launched in January 2014 has been well responded by our alumni. A Form Association Fund Raising League was introduced to encourage participation of old students across FAs. The QES60 Donation Plaque Unveiling Ceremony will be held during the Homecoming Day on 14 March 2015.

Last but not the least, I must say all these events could not have been put together without the concerted effort of our Executive Committee members, fellow old students, as well as the principal, staff, students and parents of QES. May I take this opportunity to extend my heartfelt thanks to all of them!

Sincerely,
Tong Sau Chai, Henry (86FA)
Chairman

Message from QES Principal

Encounters of the Third Kind – School Camp

Hidden in the eastern corner of the New Territories is the site of the QES School Camp. For decades, this unique home of QES became the training ground for generations of QES students, who all cherished the unique experience in life-wide learning. They were proud of every path leveled, every plant grown, and every structure built from scratch. Looking after themselves at a venue with only the most basic facilities, from preparing meals and washing to litter treatment, they learned a lot about being independent. Not only did they learn to be self-regulating, but also help each other along as they faced the challenges of nature. The tons of hardship were overcome by heart and sweat; even pains became laughter and sweet memories. There they put into practice the school motto: Vos Parate Ut Serviatis.

That is what I wrote for the School Camp 50th Anniversary Magazine only weeks after I presided at QES two years ago. As I look back, my personal experience of all events and encounters with people related to the School Camp only reinforce my observation at that time. The School Camp has had long-lasting impact on the souls of those who have devoted a large part of their school life to working and playing with their peers there. Strongly tied to this second home of theirs in their teenage years, old wardens of various generations are eager to share their joy and knowledge with their younger brothers and sisters now at school. A few of them have dedicated countless hours and massive effort to the maintenance of the venue and support for its healthy development. All the others devoted their heart. But then the uniqueness of the camp in terms of its management practices and warden training is not without shortcomings. Being the only school camp in the territory, without an employed manager, and with the established culture of the student wardens taking charge of all the training programmes of the juniors, the burden on the school staff concerned is immense, and the occurrence of some discrepancies and missing links is inevitable. But there is a good reason for the warden training system to work for over five decades. This is how the wardens develop their strong sense of belonging, high self-esteem, and intense team spirit. Through these years, various special skills were added to be necessary components of the training, but at the same time obsolete knowledge was retained and passed on as 'tradition'. Last summer, an accident leading to bodily injury of two wardens-in-training happened. It marked the beginning of a long battle: the injured students against their physical and psychological distresses, and that between the School Camp and the threats to its decades-long educational role. It is the congenital responsibility of the school to help the victims of the unfortunate incident to recover and return to their normal school life, as well as to take care of the psychological needs of all teachers and students involved. Along with special learning support arrangements from teachers and peers for the injured, psychological guidance and counseling by experts, review of safety and training programmes, and improvement works on the School Camp facilities were carried out promptly as planned. Committees and working groups were set up for investigation and camp improvement purposes. Thanks to the concerted efforts of some old wardens, teachers, parents and student wardens, camping and warden training activities resumed in less than five months last winter.

As the school head, I share the vision of the School Camp founders and Dr. Arthur Hinton for its educational value. It is our unique outdoor learning venue – for relevant extra-curricular activities and subject learning, a training ground for student leaders to develop their personality and sense of responsibility, and above all, a place to put into practice the school motto, for the camp wardens to serve the school and other students. But the societal changes and reforms in education over the years have widened the gap between the founders' vision and the stakeholders' expectations. There has also been growing demand for students' learning experience in diverse fields, and their safety and well-being must be of paramount importance. By this token, the School Camp facilities have to be modernized for its amenity and functional values to be enhanced. This would lay the ground for increasing the participation by different parties of the school – ECA leaders, prefects, uniform teams (Red Cross, Scouts and Guides), interest clubs, the PTA, the OSA and many others. To do so not only the existing facilities

Message from QES Principal

need to be upgraded, but also professional instructors (e.g. for physical training, fire and electricity safety awareness enhancement, adventure-based counseling, first-aid and AYP training, and use of mechanical and power tools) need to be employed in the training and / or assessment of the warden trainees. In the long run, some trainees may acquire the professional qualification necessary to share part of the training and supervise the related activities. In view of the extensive area of the campsite, in addition to the exacting requirement for skill and labour to keep the environment at an acceptable level for campers, employing a caretaker or manager to ensure basic amenity and perform essential maintenance is a possible way out. The student wardens will be left with some low-risk construction, maintenance, cleansing and creative tasks in a designated area of the camp to sustain their ownership. They would be in charge of all activities except those requiring professional personnel.

This academic year, the school is looking into all means for improvement of the safety condition, warden training and assessment routines, and camp facilities. We are delighted to see the old wardens working closer than ever with teacher advisors and student wardens. The support of parents and alumni and the consensus of stakeholders at the goal and direction of School Camp development are all indispensable. On the other hand, there were unsubstantiated complaints and spread of unverified information detrimental to the prestige of the School Camp from some unidentified sources. Moreover, there were grievances from some stakeholders who favoured swift and drastic changes and disapproved of the step-by-step approach presently adopted by the school. With a clear vision and goal for School Camp development on the one hand, the school is considerate of the difficulties, burdens and feelings of teachers and students on the other. In view of the unfortunate incident last summer, we need extra courage and thoughtfulness to review the camp rules and training programmes to achieve the educational objectives, but must be prudent and cautious to avoid jeopardizing the future of the School Camp. The school's determination and competence in this respect is unequivocal, and any mistrust or dissonance between stakeholders would pose hurdles on all the plans. We look forward to solving problems encountered through discussions and collaborations to build up mutual understanding and synergize efforts made by the school, teachers, parents, students and old wardens. Only by doing so could we warrant a splendid future of the School Camp.

School Camp activities are but part of our mission this year to promote 'Learning outside the confines of the classroom'. Students have been taking a more active part in learning activities both inside and outside the classroom. Web-learning, excursions, educational visits and student exchange programmes were encouraged to widen their horizons and perspectives. Students benefited from their first-hand learning experience and sharing with counterparts from other schools – Tsuen Wan Government Secondary School, True Light Girls' College and QESOSA Secondary School. Under the leadership of warm-hearted teachers, trips with various objectives were organized to places outside the territory. Students visited the cultural heritage of Macao, universities in Taiwan, our sister school at Ningbo, and made new friends in the visits to Korea, Singapore and Beijing. Locally, our students took part and obtained outstanding results in territory-wide competitions and different activities of music, speech, debating, maths and science, chess, and sports. For international competitions, some went as far as to South Africa for an international maths contest. It is part of the self-directed learning approach that helps unleash students' extra-curricular potentials in addition to their striving for academic excellence.

The closing of the school year marks the beginning of the celebrations for our 60th anniversary. May I appeal to all alumni to join hands with the school to cherish our glorious past, celebrate our present achievements, and chart the best for our future generations.

QES Alumni Mentorship Programme 2013-2014

Since its inception in 2007, OSA has been supporting the Mentorship Programme for the senior form students. In 2013-2014, 51 alumni served as mentors to 300 students from S4 and S5.

The Kick-off Ceremony of the Programme was held on 19 October 2013 and the Second scheduled meeting was held on 29 March 2014. Mentors and mentees made use of the occasion to establish rapport with each other.

On 3 July 2014, our mentor Mr. Lee King Wah (81FA) arranged a visit for the QES students to his workplace - the Hong Kong Academy of Performing Arts Bethanie Campus.

QESOSA Cup

A QESOSA Cup was first launched in 2014 to promote exchanges between QES and the OSA schools. As a trial run, a basketball tournament between QES and QESOSA Secondary School was held on 3 July 2014 at QES. Mr. Cheung Kwan (77FA) represented OSA to present the prizes to the winning teams.

In the coming year, it was planned that volleyball and debate would be included in the QESOSA Cup. QESOSA Tong Kwok Wah Secondary School would also be invited to join the Cup.

Social Service Project 2013-2014

Being continuation of the Social Service Project (善群行動) in commemoration of the Golden Jubilee of Queen Elizabeth School in 2004, the Social Service Project of QESOSA Secondary School (QOS) has come to its ninth year of operation. The Social Service Project is a meaningful event in a sense that it is not merely a social service, but also a valuable learning experience for the participating volunteers.

In 2013-14, 4 major activities were organized for the elders from Pok Oi Hospital Jockey Club Care & Attention Home and one activity for the students of BTCFS Yeung Yat Lam Memorial School (YYL), a school for mentally handicapped children:

耆樂遊 I : 新年購物活動 (25 January 2014)

Chinese New Year is an important holiday that elders look forward to celebrating. To help the elders from the Pok Oi Hospital Jockey Club Care & Attention Home prepare for the festival, QOS and YYL students went for Chinese New Year shopping with the elders on 25 January 2014 in Ginza Plaza, Tin Shui Wai. On their way back to the Care & Attention Home, the group took a tea break in a nearby fast food restaurant.

Students and elders did Chinese New Year shopping at a supermarket.

耆樂遊 II : 老人院舍探訪 (8 March 2014)

QOS and YYL students visited Pok Oi Hospital Jockey Club Care & Attention Home on 8 March 2014. One objective of the function was to entertain the elders. Another objective was to get familiarized with the elders, and prepare them for the day trip to Wong Tai Sin Temple.

耆樂遊 III : 黃大仙一日遊 (15 March 2014)

Students of QOS and YYL together with the elders visited Wong Tai Sin Temple on 15 March 2014. They enjoyed a vegetarian lunch after touring the Temple.

童樂遊 : 港島遊踪 (17 February 2014)

QOS students joined hands with YYL senior form students to take the junior form students for a day trip to Tsim Sha Tsui East. After visiting the Tsim Sha Tsui Promenade, they had lunch at a Korean barbecue restaurant. The activity aimed at enhancing the self-care ability of the YYL junior form students by learning to travel with public transportation. In addition, the function also helped develop the leadership ability of the senior form students of YYL.

2014 Annual Picnic

The 2014 Annual Picnic was held on Sunday, 30 March 2014, in the form of a BBQ lunch.

It was a lovely sunny day. The venue was Clarkes Point Reserve, Woolwich. This is a wonderful spot with great water view and BBQ facilities. A total of 31 members and family members turned up at the event.

Thanks should go to the members who have very kindly prepared the food for the BBQ. As always, we had more than enough to be shared. A few of us actually had to take some of the uncooked food home in order not to create any wastage.

It was a very enjoyable lunch gathering with all the catching up, sharing the cooking responsibilities and of course tasting the good food: chicken wings, spare ribs, salmon cutlets, lamb cutlets, prawns, salad, fruits and.....

We all went home feeling so physically and emotionally contented!!!

2014 Spring Lunch & Talk

Date: 12 April 2014 (Saturday)

Location: Dragon Legend Restaurant 龍珠匯

What a wonderful gathering! More than thirty QES old students had a joyful get-together with family and friends.

The panel discussion on Housing Market and Condo Living was enthusiastically received. Daniel Chow started out with his talk on downsizing, which he jokingly distinguished from downgrading. His view was that it could be an opportunity for generating fruitful investment income.

Theresa and Jason Leung enlightened us with the many different lifestyle choices for retirement living, and gave us some helpful tips on fees, which may sometimes be unexpected, as well as tax breaks, which are perfectly legal.

James S.K. Tang gave us some pointers to look for in a property management company. He highlighted the prevalence of kickbacks and conflicts of interests in the procurement of condo services, and stressed the importance of active participation in condo management as a means to minimize this shortcoming.

A lively Q&A session followed, covering a range of topics such as the reasonability of condo fees, the need to look at the condo books to identify shortfalls and impending capital expenditures, pros and cons of an auction-type of property sale, etc.

QESOSA (Ontario) Scholarships at a Glance

QESOSA Ontario Ut Serviatis Scholarship (set up in 2001*)

Each year, a HKD\$500 scholarship is awarded to an outstanding student at each of the two OSA primary schools.

QESOSA Ontario Dr. Hinton Scholarship (set up in 2009)

Mr. Cheung Poon Scholarship (set up in 2013)

Starting in November 2014, five HKD\$800 scholarships will be awarded to five students who excel in the Chinese subject or related activities at QES each year. One student from each form (S1 to S5, previously known as F1 – F5) will receive the scholarship.

** The precursor to the Ut Serviatis scholarship was a set of book prizes awarded each year, since 1992, to students at the OSA primary schools.*

Mr. Cheung Poon Scholarship

Our Chapter has arranged with QES to establish the “Mr. Cheung Poon Scholarship”, to be awarded to five students who excel in the Chinese subject and related activities, each year starting in November 2014. This new scholarship was initiated by our Vice President James S.K. Tang and is the first scholarship ever set up at QES to commemorate a teacher. Mr. Cheung was remembered as a very good Chinese teacher who cared about the students and always tried to help those who were in need. Mr. Cheung passed away three years ago, at the age of 91.

Student Mentorship Program for QESOSA TKW Secondary School

The Student Mentorship Program for QESOSA Tong Kwok Wah Secondary School in Hong Kong continues this year. Feedback from last year was positive, as reported in last year’s newsletters. Many thanks to the mentors for their time in nurturing the students in Hong Kong.

Reflections on Reciprocity

by Ellen Liebrechts (Seto So-King) 72FA

The main goal of our mentorship program is to broaden the horizon of our youngsters in the QES family of schools, providing them with an opportunity to learn more about the world outside of HK, and, hopefully, improving their English skills at the same time.

Flash back to 45 years ago: I was a student growing up in HK and attending QES, where I joined the Pen Pal Club. I was fortunate enough to have a pen pal from Sacramento, California, USA, and another one from France. I fondly remember the letters I received from them. They told me about their lives in their parts of the world and I was fascinated by it. I always loved the city of Sacramento even though I did not know anything about it at the time, just because I had a “friend” living there. Back then the world was big to me ... there was no computer, no internet, no emails, no Skype. I was very excited every time I received a snail mail from one of them. I remember bragging to my friends about having foreign friends from two different continents. Our communications, though short-lived, had created a huge impression on me.

So then, I did benefit from having pen pals when I was young. Surely now, I could benefit from being a mentor too. You see, I have been away from HK for over 40 years, and have never been back to visit. HK is now largely foreign to me. What I know is that things have changed tremendously since I left: new government, new subway, new airport and new residential areas that I do not think existed when I was living there. I feel so ignorant about so many things there. I thought, by being a mentor to a student, I might learn more about HK and its latest happenings from a personal perspective, not just from some Google articles.

My mentee is a student from QESOSA Tong Kwok Wah Secondary School. We started off very well by sending each other emails. She seems to be a very active, intelligent girl who cares very much about her family and their well-being. She wants to succeed and she appears to be willing to try hard. She belongs to South House, which is something we have in common. I also learned that although the HK education system has improved somewhat, it is still a “Pressure Cooker” examination system which exerts tremendous stress on the students.

I was able to tell her about my world, which she found very interesting. We exchanged photos as well. I sent slide pictures of some famous Canadian scenery and I believe she found them fascinating.

I trust that, by being her mentor, it has helped widen her view of the world. She also has an opportunity to write in English to someone who is not involved with her school work. That way, she can express herself in a relaxed manner and at the same time improve her English writing skills.

I am glad that I am part of the mentorship program. I feel very honoured to be a mentor and I hope we both gained something from this experience.

2013/14 was a special year for QESAAUSA. Not only did we commemorate the 15th year of our chapter's inauguration, we geared up to celebrate the 60th anniversary of our alma mater. Among other activities, we held fund-raising events to contribute to an OSA scholarship fund. To provide data for a planned QES Journal, a questionnaire survey was conducted among alumni members. Individuals generously shared their motivation to migrate from Hong Kong, and their reflection about living here. Thanks to Gavin Chan 陳文(90FA), our Information and Technology Director, our website underwent a nice facelift. We are working on an online resource corner for current QES students who wish to seek higher education in the United States.

Ellen Ip and Kitty Yu (current & previous presidents of the Canada BC chapter respectively) on their visit to the San Francisco Bay Area.

Despite being kept busy by official alumni association action items, we took pleasure in hosting quite a few visitors to the San Francisco Bay Area, including Mrs. Ruth Wong (teacher and assistant school master) from Toronto; Ellen Ip and Kitty Yu (current and previous presidents of the Vancouver chapter respectively); Susanna and Heung Sang Tsoi (59FA) from Hong Kong; Nancy (65FA) and James Tang (64FA) from Toronto, and Juliana Leung Lo Tan Yung (59FA) from Seattle.

Our 2014 Annual General Meeting was held on February 10 at Willow Tree Restaurant, Dublin, California. The event was well attended with

45 participants. After kicking off with financial reporting and membership updates, we had Asian fusion cuisine, live music entertainment, fund-raising, games and a lucky draw.

Members also came together in the 2013 summer gathering to share a variety of activities, including a Mahjong Tournament. Beth Pao and Bernice Ng led a small group to visit two fine arts museums in San Francisco, followed by a delicious meal of Spanish tapas and sangria! Yiu Koon Leung (60FA) coordinated regular dim sum luncheons for local alumni and visitors from out-of-town. Toni Ying organized a small group dinner at the Burma Café (operated by an alumna's daughter) in Daly City.

Three of our Board of Directors – Keith 曹浩全 and wife Teresa Cho 古嫣芹(60FA), Peter Poon 潘天佑 (60FA) and Louisa Leung paid separate visits in 2013 summer to Dr. Arthur Hinton at his residence in Wolverhampton, UK. We spent some quality time talking and dining with him. We all enjoyed our visits as Dr. Hinton is forever so enterprising and positive about life. He is always our model Principal.

QESAAUSA 2013 Summer Picnic

By Doris Tse 謝少芳 (69FA)

This year's summer picnic was held at a scenic bay side Alameda community club house. Thanks to the enthusiasm of board members, spouses and volunteers in planning, preparing and promoting the event. Special kudos to Vivian, Beth and their mother. We recruited our culinary experts - Chua, Louisa, Phillip & May, Bernice & Larry, Katherine and Vicky - to share their excellent cooking and baking. They also supplied homegrown poultry and produces, making the event a one-of-a-kind experience. Besides the many delicious

dishes, there were fun programs, exercises, shows, mahjong competition and lucky draws. Participants enjoyed every minute of it. We all look forward to the next event.

Visit to Dr. Arthur Hinton

Dr. Arthur Hinton continues to inspire us even though he is 94 years young. His previous visits to California were greeted with overwhelming joy and enthusiasm. As one of the organizers of his 90th birthday celebration in Vancouver in 2010, I worked closely with the excellent Directors of QESOSA British Columbia and Nancy Tang of QESOSA Ontario. It was a most memorable celebration. Four former teachers and over a hundred former students from Canada, U.S.A., and other countries showered Dr. Hinton with love and affection. In the summer of 2013, Mable and I had a delightful visit with Dr. Hinton at his home in Wolverhampton. We invited him to lunch, presented him with a photo book of his 90th birthday celebration, and he was overjoyed. Many of his former students visited him, including Louisa Leung, Keith and Teresa Cho from QESAAUSA.

Welcome Dinner for Ms. Ruth Wong

Our former teacher Ms. Ruth Wong is well known for her excellent teaching in Biology at QES. I still remember she often taught extra classes after regular school hours. She impacted the lives of many students including myself by her genuine care and her total dedication to the students. When Ms. Wong and her husband Paul visited the San Francisco area in July 2013, they were honored with a welcome dinner with twenty-three participants in Milpitas. Mrs. Mary Ann Wong 黃王文清 (our music teacher) and husband were among us.

Spring Dinner in Arcadia

Even though San Francisco and Los Angeles are separated by about 400 miles or 643 Km, our members from Northern California and Southern California truly enjoy the company of one another. When I visited Palo Alto several years ago, I was touched by the hospitality received from the Board of Directors and Crystal Lee Milton who was President of QESAAUSA at that time. In February 2014, we had a most enjoyable spring dinner in Arcadia, and we were very glad that Louisa Leung and Toni Ying from the Bay area joined us.

Elder Academy

The QESOSA Education Centre Elder Academy was established in 2007 with the support of QESOSA Secondary School (QOS). Teachers, students and parents of QOS as well as volunteers and staff from social service agencies participated actively to make the Elder Academy a success. The Elder Academy offered a total of 7 courses in the year 2013-2014, with over 137 elders enrolling in the programme.

A survey was conducted after each semester to collect feedback from elders on the courses offered. For the last two semesters, the elders highly rated the programme, particularly, the performance of the instructors and the overall logistics of the programme.

In the past year, 6 elders received the Silver Certificate (over 30 learning hours) and 11 elders received the Bronze Certificate (over 20 learning hours) awarded by the Elderly Commission.

伊利沙伯中學舊生會小學 2013-2014年度校務報告

何敏薇校長

前言

學校步入「三年學校發展周期」的第二年，總結去年經驗，學校在本年度主要為去年的各種校務進行檢討及反思，並作出優化，從不同層面檢視各種校務的情況，貫徹「修己善群」的辦學理念，在辦學質素方面精益求精。以下是本年度的校務報告：

一條龍銜接

本會的中小學一條龍政策自2011年9月正式落實，一條龍政策已邁進第四年，行政架構及運作模式日益完善，一條龍督導委員會除了定期開會制訂有關政策、措施和程序外，亦全面監察和支援有關政策、措施和程序的進展。在全體同工共同努力之下，一條龍政策得到家長和同學的支持。本年度有約75%的畢業學生選擇直接升讀兩所屬會中學，數據具體地展現了各持分者對本會一條龍政策的信任及肯定。我們相信，一條龍政策能為學生提供一貫十二年的全人教育，並能保持學校辦學理念、課程及培育方面的銜接和一致性，亦為學生提供一個穩定、正面積極的學習環境。

學校因應一條龍政策，與兩所屬會中學共同合作，為新生提供一連串的暑期銜接課程及活動，及早加強對學生的瞭解，亦能對個別學生及時作出適切的學習支援。

在課程銜接方面，本年度學校配合辦學團體，與屬會中學進行一連串的觀課活動，觀課對象重點為小學六年級至中學一年級的學生。觀課活動旨在讓中小學教師深入了解中小學課程之間的銜接，並運用蓋聶教學理論中的九個學習事件進行議課，統一專業交流的教學構架及專業術語。觀課活動對教師有莫大裨益，教師在議課時專業、坦誠，本校基於與屬會中學一條龍的優勢，教學質素得以提升。

學與教

學與教是學校的首要任務，是學校最基本、最核心的工作，因此亦是學校長期的核心發展項目。在課程方面，學校近年積極進行課程發展和改革的工作，為了進一步發揮小班教學的優勢及統一各班的教學效能，學校採用了合作學習及九個教學事件的教學方法，並透過各種觀課、集體備課、校內和校外的教學分享及交流活動，提升教師的教學策略及教學能量，從而提升教與學的質素。

到伊湯中參加科學攤位遊戲活動

配合本年度的關注事項「提升學生的學習動機及建立積極的學習態度」，學校落實了一系列的校務。在「提升學生的學習動機方面」，我們相信，學生的學習動機源於投入感及成就感，所以學校優化了「班本榮譽榜」及「成績龍虎榜」，令學生得到更多被表揚的機會，從被肯定中得到成就感，進而更積極學習。各班亦設有「一人一展示」，讓每位學生都得到展示學習成果的均等機會，更主動地展露才華。在「建立積極的學習態度」方面，各學科均重點發展學生預習及課後研習的能力，例如中文科的「預習簿」、常識科的專題研習等，學校更鼓勵學生多運用網上學習平台，例如有系統地進行BCA網上評估，學生的學習機會從課室擴展至各個層面。

在培養學生的反思能力方面，學校着重學生對所學知識的回饋及反思，有助於教師即時評估學生所學，更有利教學相長。所以在每單元最後一節，教師均會請學生回饋該單元所學的知識及自評學習表現和感受，鞏固所學。

在培育方面，秉承學校「修己善群」的校訓，本校繼續推行「一人一服務」計畫，讓全校的高年級生有貢獻自己的機會，本校更為全校的服務生提供領袖訓練計劃，建立學生的自信心、責任感和領導才能。為配合關注事項「提升學生重人重己的素質」，學校特別重視學生的自理能力及關愛表現，本年度更優化了「有禮班」及「有禮醒神雙週」比賽，學生從個人到群體中講究禮儀和關愛，進一步發揮「修己善群」的精神。本校亦透過校園電視台廣播關愛主題節目，潛移默化地教育學生關愛社群、貢獻社群。

教師專業發展

要提升學與教的效能，首要考慮的就是教師的專業能力和水平。學校一直積極為教師提供持續專業進修的機會，建立優秀的教師團隊。在中文科方面，本年度我們與中文大學合作，優化小二的閱讀課程，重點為字詞教學課程的整合。我們亦參加了教育局的「專業發展學校計劃(2013-14)」，與天主教石鐘山紀念小學進行一系列的訪校活動、工作坊及觀課、議課及經驗分享。在英文科方面，則獲教育局撥款English

QESOSAEOPO Schools - QESOSA Primary School

Enhancement Grant Scheme (EEGS)及課程發展的Language Learning Support Section (LLSS)，令英文科同事更能專注如何提升學生的閱讀與寫作技巧；數學科的「數學社群老師計劃」，加強數學科的協作教學及教師同儕互評，定期就指定課題作備課及觀課等專業交流；而「內地教師交流計劃」則提供了平台讓中港兩地教師了解彼此課程的異同，從而反思如何優化數學科課程。在常識科方面，我們參與教育局資優教育組的「資優教育教師網絡(常識科)計劃(2013-14)」，嘗試於第一層全班式教學中培訓學生高階思維的能力，並與幾所學校組成網絡群組進行一系列的跨校備課會、觀課及議課等活動，從而凝聚專業團隊力量。本校的課堂實踐獲得外間的高度評價，並獲邀出席教育局資優教育分享會及全港性的資優教育雙年會作分享者，以分享校本課程及全班式資優教學實踐的經驗。

本校老師分享思維六三招

另外，本校中文科麥豪輝老師於香港教育工作者聯會所舉辦的「2014優秀教師選舉」中榮獲「優秀教師(教學組)」殊榮，其教案、教材、課堂反思及課堂錄影均得到評審團的高度讚揚，在200多名參賽者中脫穎而出。麥老師獲邀加入「優秀教師社群」，並會在來年主持教學分享會、接受網絡電台訪問等，分享教學心得及經驗，推動中文科教學的專業發展。

優秀教師得獎者 麥豪輝

此外，辦學團體當中不少教育界專家亦經常舉辦工作坊及講座，多方面支援教師，為教師提供新的教學點子及對課程作出反思。透過一條龍政策，更加强了中小學教師之間的觀課及議課，令彼此對中小學的課程銜

接、教學法及學生需要等作專業分析及調適。

為擴闊老師及學生視野，豐富經歷，本校於復活節期間舉辦了「台灣農場及藝術文化之旅」，帶隊老師共四名，在交流團中參觀了多個藝術展，並與當地師生交流視藝教學心得，推動專業發展。

家校合作

學校與家長是教育孩子的好夥伴，所以本校一向重視家校合作。家教會從1993年成立，從當時的雛型發展至今天的成熟期，家教會已有非常精確嚴密的組織。家長對學校的歸屬感增加，喜見樂意投入家教會活動的家長數目日益增加，家長與教師理事定期開會，為學校各方面的發展作出支援及交換意見。家教會會員樂於參加學校為他們舉辦的各種親子講座、工作坊及康樂活動。家長亦主動熱心參與學校的事務，組成龐大的家長義工團隊，發揮家校合作的功能，協助學校推行各種學習活動，截至六月中，曾參與服務的家長義工人數超過120人，服務人次達850次之多，共服務了接近1900小時，家校合作從二十年前發展至今天的成就，為此感激各家長的付出與貢獻。

總結

本校堅持和秉承「修己善群」的辦學理念，為天水圍社區提供優質的教育服務。在學與教及教師專業發展上，我們不斷積極地尋找可發展或優化的地方。未來，我們將一如以往，在教育的最前線上傾盡全力，家校一心，務求培育學生全人發展，在學術文化、體藝及品德情意上再創佳績。

伊利沙伯中學舊生會小學分校 2013-2014年度校務報告

梁潤蓮校長

過去一年，學校在教職員的努力下，得到家長的支持和信任，同心協力為同學營造積極、正面和關懷的學習環境，不論在正規課程、延展課程、資訊科技與照顧個別差異方面，均取得良好的成績，現簡略報告如下：

正規課程

感激辦學團體的支持，本校教師著力鑽研羅伯特蓋聶(Robert Gagne)的學習理論，並透過跨校與校內的同儕觀課與議課，提升課堂教學成效，初步所見，教師的課堂設計、教學流程及反思能力均有明顯提升。同時，在辦學團體贊助下，屬會四校中文科進行中小銜接課程發展，除檢視中小學中文課程，以減少重複與遺漏外，更為課程發展提供寶貴意見，亦為四校教師專業交流提供平台。

此外，中文科在發展寫作縱向課程的同時，亦加強「以讀帶寫」元素，除教科書教材之外，更精選一些文學性較強的校本閱讀材料，豐富學生語文素養。同時，中文科繼續進行即場寫作訓練，並要求同學進行同儕互評。就學生作品所見，寫作能力較以往大大提升。

英文科方面，除小一至小三繼續推行PLPRW計劃，小四至小五亦推行KIP計劃，以生動有趣的方法，訓練同學的讀寫能力，並配合平板電腦教學，令同學學習興趣進一步提升。由於計劃推行成功，本校再獲友校及教育局邀請分享課程發展經驗，並獲高度評價。

數學科一向重視發展同學的邏輯思維、分析和解難能力，學生成績一向優異。本年度同學參加了多項公開校際數學比賽，成績驕人，其中最突出的包括：全港奧林匹克比賽，一位同學獲金獎，並成為香港代表隊到星加坡參加國際賽；一位同學獲「華夏盃」全國數學奧林匹克一等獎；2014亞洲國際數學奧林匹克公開賽香港賽區晉級賽(港澳盃)，小四至小六各組共奪金銀銅獎10個獎項；在世界數學測試中，本校一位同學更越級挑戰12-14歲組，勇奪「數學科及解難分析科雙優學生」榮譽，成績令人欣喜。

正因為同學在學術上獲得全面的培養，有鞏固的根基，因此在各方面均有平均而傑出的成就。本年度，本校同學在傑出學生選舉中成績優異，包括一位同學入選「第五屆優秀小學生獎勵計劃」，成為十優學生其中一位，另外一位同學亦入選元朗區小學校長會主辦的元朗區傑出小學生。

延展課程方面

學校的延展課程目標是「擴闊視野，追求卓越」。我們為同學提供多元化的學習經歷，培養他們在不同領域的興趣及專長，發展個人潛能。

QESOSAEP0 Schools - QESOSA Branch Primary School

本年度共有超過700人次參加不同類型的比賽及活動，包括學術、視覺藝術、音樂及體育等範疇，並取得突破性的成績。

在藝術方面，本校繼續舉辦伊分樂團，刻意栽培同學音樂潛能。音樂科更於午間時段進行「音樂突襲」，讓師生有機會一同演奏樂曲，樂團成員又擔當小導師指導其他同學學習演奏樂器。各同學於活動期間十分投入，氣氛熱烈。此外，學校亦安排同學參加不同的校外比賽和活動，同學均表現出色。視覺藝術方面，同學在多項全港性的填色、繪畫及設計比賽獲冠亞軍獎項。在香港七人欖球賽的「支持香港隊」繪畫創作比賽中，一位同學勇奪冠軍，與眾欖球健兒一同接受傳媒訪問，並擔任開球禮嘉賓。在2014香港創意思維活動服飾巡遊匯演暨比賽中，本校更擊敗眾多勁敵，獲全場冠軍。

同時，為讓每一位學生都有機會踏足舞台，成為校隊，全體小四學生均被編入學校朗誦隊及合唱團，代表學校參加校際朗誦節及音樂節，結果勇奪朗誦亞軍及合唱殿軍，更重要是令平日沒機會的同學也能接受正規訓練，獲得比賽的經驗，增強自信。至於綜合才藝表演，更成為每年度的盛事，接待校內同學、家長及校外幼稚園家長共超過一千多人，參與各項演出的同學累計超過三百人次。

在體育方面，本年度足球隊獲得優異的成績。除在各類型校際足球比賽中共獲一冠一亞兩殿軍，本校兩位同學更代表元朗區參加全港學界足球比賽。另外，本校高低年級舞蹈隊在校際舞蹈節獲甲等獎及乙等獎，個別同學亦在拉丁舞比賽中囊括多個個人大獎。此外，在羽毛球、跆拳道、體操及武術等項目上，同學同樣獲多項個冠、亞、季、優異獎及團體大獎。由於同學於體育方面表現出色，多位同學獲得外間機構頒發獎學金，以茲鼓勵，包括三位同學獲柏立基爵士信託基金、三位同學獲王威信體學兼優獎勵計劃及一位同學獲屈臣氏香港學生運動員獎。

同學能在課外活動方面取得卓越的成就，實有賴教師團隊的承擔與努力，家長們的鼎力支持，與及同學們的積極參與。

資訊科技與照顧個別差異方面

為更有效照顧不同能力學生的學習需要，學校嘗試以每週一次的分流學習形式安排不同能力的學生進行主科學習，讓教師可因應同學的能力及進度進行針對性輔導，結果令人滿意，不論高能力或能力稍遜同學均有明顯進步。此外，學校運用不同的津貼，並感謝校董會支持參加「加強公營學校行政管理試驗計劃」獲得資助，加上家教會協助籌募發展經費，我們已順利完成鋪設全校光纖網絡及增購平板電腦，讓同學可以一人一機運用平板電腦上課，除大大提升學習動機及興趣外，教師更能即時評估學生學習成效，以調整教學方向及步伐。

過去一年，學校在良好和穩健的基礎上，進一步提升學與教的水平，令學生有更全面的發展。從小一收生情況，家長的口碑，反映出區內家長對學校的支持和信任。家長一直都是學校的合作夥伴，也是學校的重要資源，我們十多位家長理事，以及近百位家長義工，為學校、學生勞心勞力，付出時間和精神，讓同學經歷多姿多采的校園生活，謹此向他們衷心致謝。

最後，多謝教師和職工團隊的努力和付出，致力營造一個整潔、舒適、安全、講求效率的學習環境，讓同學可以感受到正面、積極、關懷的學校文化，並健康和愉快地成長。

QESOSA Tong Kwok Wah Secondary School 2013-2014 School Report

Chu Kuok Wa, Principal

"An educationally inclusive school is one in which the teaching and learning, achievements, attitudes and well-being of every young person matter."

~The Office for Standards in Education, UK: 2000

School Profile

Our ninth school year continues to be hallmarked with quality assurances to sustain education practices and management policies that are both effective and able to shift forward the boundaries of learning opportunities. We have taken consistent measures to cultivate a sense of endurance, initiate ideas to address challenges and resolve the problems with reality-based assessment procedures and courage. We consciously forge ahead with the best assessment of the educational steps and tools that can maximize the prospects for success for our students. Students being our most valuable asset, we endeavour to find the most pragmatic solutions to difficult and complicated situations that arise in our students' learning journey. We diligently work towards making a positive difference in the way our students learn and we pledge our very best to nurture our students and prepare themselves for the multiple challenges they may encounter in future.

Class Structure

There are four classes in each form for S1 to S3 and five for S3 to S6. To maximize the learning outcomes and increase overall student performance, especially for students with learning challenges, we have adopted small class teaching in S1 to S3, dividing the four classes into six groups. Under such arrangements, peer learning and support are being facilitated. Moreover, teachers would be able to closely monitor the teaching schedules and use more tailor-made teaching strategies to the targeted groups, thereby enhancing the student learning outcomes.

Staff Strength

Our teaching staff consisted of 67 teachers, over the standard established staff number granted by the Education Bureau. All teachers employed have received their first undergraduate degrees, 42% of the teachers hold higher degrees and 97% have been professionally trained. Moreover, all English teachers have attained the required language proficiency as stated by the Education Bureau.

Student-centred Curriculum Support

Student-centred curriculum support which aimed at extending classroom learning, enhancing students' learning experience and broadening students' horizons was provided. There were more than thirty clubs and societies providing a wide variety of activities for students. Events, such as Chinese Cultural Day, Inter-class Mathematics competition, Science Exploration Week, Nature Touch and Circuit Run were held to encourage our students to apply their subject knowledge learnt in the classrooms. Field trips, outings and tertiary education institute visits were organised to provide students with an opportunity to get hands-on experience and equip students for further studies and career planning. Study tours to Singapore, Haiping of China, Mongolia, Taiwan and England were organized to widen students' horizons and let students experience the very best historic, cultural and natural sites in the world.

Different teaching strategies were adopted and tailor-made teaching materials were designed to improve learning outcomes and cater for learning diversities, including interdisciplinary reading and writing learning package development, differentiated assignments and assessments, fine-tuning of medium of instruction—teaching mathematics and geography in English in forms S1 to S3.

In order to provide more support to our would-be secondary one students, a bridging programme was offered during the summer vacation to facilitate the learning transition in core subjects and geography. At the same time, effective learning skills and good study habits were trained. Elements such as teacher-student relationship building, self-confidence enhancement and study goal setting were integrated into the team work and team-building activities.

English Enrichment Initiatives

The school is committed to developing students' language skills and creating a rich English learning environment for students. An English Learning Centre offers a wide variety of English learning activities including movie watching, magazine reading, online reading exercises and board games, and also a diversified supply of teaching resources for students and teachers. Besides that, an English newsletter was published annually to update students on the latest school events, thus enhancing students' writing and reading skills. Varied activities such as writing and debate courses, TT Games Day, S1 and S2 Read Aloud Programme, Amazing Campus Tour, English

QESOSAEPO Schools - QESOSA TKW Secondary School

Songs Singing Contest, Hong Kong Schools Speech Festival, Study Tour, Drama Appreciation, S6 joint-school oral practice and inter-class competitions were also organized to help students develop higher levels of language proficiency and English learning interest through greater exposure and use of the language. Frequent speaking practices were scheduled for senior form students during the lunch time to enhance their use of English in communication. Additionally, after-school enrichment and enhancement programmes were offered to provide junior form students with assistance on schoolwork as well as help senior students better prepare for their public examination.

The mentoring programme by alumni from QESOSA Ontario Chapter for our senior level students ran for the second year. The programme did not only provide our students opportunities to practise their English (both oral and written), but also expose our students to the world outside Tin Shui Wai through the experience of the mentors.

2013-2014 Highlights and Achievements

In the third Hong Kong Diploma of Secondary Education Examination, the percentage of students obtaining level 2 or above in five subjects was 58%. 不久前曾讀到的一個調查報道：

"一般而言，人到七十以後的歲月，生活多是過得比六十到七十時輕鬆寫意的；這是因為心中事事都可逐一放下了！"似乎不無道理哩！

我也借這個機會整編了一些往年大家歡聚的照片，重溫昔日溫馨的時刻！也期待下一年我們的新照片，見證一下我們七十以後的歲月，我們臉上是否有更大的笑容？但願如此！

再者，祝母校邁向"百年樹人"的教育大業，更大大發揮"修己善群"的光輝精神！

Newsletter of 60FA 2010-2014

- * 60FA started a monthly lunch gathering in 2010. It has been regularly attended since then by a big table of schoolmates. When we have mates back to HK, we arranged extra gatherings to meet. If overseas mates pass HK, do contact your FA co-ordinators Poon Woon-chin and Ng Kwan-mo to arrange to meet.
- * Thanks to Roger Chan S. who are ever so nice to take up the job to update our corresponding list of emails and phones. Hope you keep up the list for communication.
- * Tong Kai-on has retired from his second job as the secretary of a voluntary Teaching Centre of Astronomy and Computer. He benefited from his work and is now highly proficient in computer technology. I take this opportunity to thank him much for editing and producing our GJR DVD.
- * SO Hin-chak has retired as a high police officer. He is still energetic and active and works as amateur tourist guide of travel agencies! If you plan to take a trip starting in HK, he is indeed very helpful!
- * Dr. Cheng Po-kong, though retired from his private practice for less than two years, always take up active parts in our activities. We often seek his medical advice when we meet. Thank him much!

When we talk about our mates overseas, three names usually at once come to our mind.

- We have Professor Ken Chong KP. He had retired from long service in the US National Science Foundation and is now a professor of George Washington U, and a visiting professor of several China universities. Ken was also awarded honours for his high accomplishment in scientific researches.
- Dr. Peter TY Poon, a highly accomplished scientist famous for his contribution in the US Mars project, has retired from this official service. He now devotes much to Christian faith and is still highly respected in the aerospace world.
- Dr Man-chiu Poon still serves as a Professor of Medicine and the Director of a clinic at the University of Calgary. He has been travelling to China quite frequently to advise on medical projects there. He thus pass HK quite frequently and we are delighted to meet.

We are honoured to have such outstanding schoolmates among us. There are surely not a few such distinguished mates but they are too humble to let us know. Pardon me for my very limited knowledge.

Dear QES60 mates, I hope the above information could be of some use. Please make use of it to keep contact and share our "golden days"!

六十年，一個不短的時間；在中國古代的曆法，稱之為一甲子，是一個時間記錄的循環再始。今年，是母校創校六十週年，而69FA的同學亦已經畢業四十五年、相識五十年了。如此值得紀念的好日子，自然地，大家會酬備一些紀念活動，我們於去年年尾成立了以Natalie羅淑儀為主席的69FA慶典籌委會。為了配合母校在今年11月舉行紀念活動，69FA亦會在同一時段安排聚會，方便海外同學配合著安排回港的時間，可以同時參加兩個慶典的各項紀念活動。

在期望著11月到來的同時，大家在69FA Google Group和近年興起的社交平台Facebook與及WhatsApp暢談各自的近況、活動和養生資訊等等，不一而足。就中得知，其中兩關，關敏霞及關錫堯分別在去年7月和今年3月升級為奶奶及老爺。恭喜恭喜。

今個學年母校水運會在2013年10月4日舉行，69級聯派出三隊參加4 x 50 米接力賽，出戰另一隊由3個級聯組成的聯隊，他們的隊員總年齡比我們隊伍的年輕近二十歲。在分散實力的情形之下，我們三隊只能取得二、三、四名。值得一提的是關錫堯所屬的C隊險勝全由 West House 同學組成的B隊奪得季軍。這是他多年來唯一不是「包池」最後衝線的一次。同學多得Flora早一天在九龍城發現印有69標誌的T恤，全面掃貨14件，作為我們水運會的制服。日後如再有貨我們就可全個級聯都多一件制服了。母校陸運會在同年11月27日舉行，由於傷兵纍纍，69級聯4 x 100 米接力隊只好重金禮聘外援，由關錫堯，譚永凱，張耀江，再加上"附屬會員"關錫堯太太71FA的張就雲組成，成績尚算不錯。期望下年度有傷兵或退役老將能夠復出，組成強勁隊伍出擊。

今年新春團拜於2月29日在童軍總會金陶軒舉行，由於地點吃香，我們去年11月已經要訂位。當日連同老師共有三十多人參加，大家在歡樂氣氛中互相祝福新年快樂。在抽獎環節，董廣平夫婦再次發揮神秘力量，橫掃幾份獎品，最後為平民怨，另外捐出一份禮物供大家抽獎。

去年9月24日，在Karen翁若梅回港期間，關錫堯安排了東平洲、塔門一日遊，並於晚上在金御海鮮酒家與同學晚飯聚會。共有十七人參加了雙島之行，是日天朗氣清，陽光普照，最宜拍照，大家首先暢遊了東平洲海岸公園，跟著到塔門午飯並環島觀光，期間游漢雄拍了很多靚相，放上Google Group跟同學分享。一個小插曲是Karen午飯時跟較少出現的楊志誠同坐，Karen不認得他，向他搭訕，方知原來是舊同學。到了晚上，共十二人參加了飯聚，包括剛從澳洲返抵香港，由機場直接到酒家的Lucy關文珊和最初預計不能出席的Natalie。

今年3月29日晚，香港經歷了一場冰雹和黑雨，令又一城變成水舞間，亦破壞了次日Flora陳雪艷精心安排好的長沙宿營活動，十分可惜；而跟著連日的大雨，亦令4月9日替加拿大遠道而來的Donald鄧雷和Tony曾慶森安排的征服蚺蛇尖之行，改為前往難度較低的龍脊。當日早上雨過天晴，一行八人包括兩個主角，亞Sir李祥光，游漢雄、Margaret夫婦，徐志明等由土地廟出發；初時霧鎖山頭，前面的人也難以看得見，大家只能看著腳底下的泥濘前進。守得雲開見月明，當我們到達山脊的時候，雲霧開始消散，石澳以至果洲群島的美麗風光展現眼前，令大家不枉此行。之後我們在藍灣半島午飯，由久未露面的George潘宗威替我們訂位，並有Lina加入。席間談到兒女事，無巧不成書，游漢雄和George的兒子竟然是同學兼瑪麗醫院同一專科的同事。之後我們在4月18日再安排了一次梧桐寨之行，除了加國的鄧雷夫婦和盧達標外，本地同學參加的有江覺靜，Lucy關文珊，談永凱，徐志明等。得到天公做美，大家都得覽美景，盡興而歸。

除了行山活動，我們亦為外國訪港的同學安排聚會，其中有2013年9月的鄭就棠，10月的Julia梁惠玲，Ray李思靖和Amy唐綺薇 夫婦，2014年3月的雷基與明麗娟夫婦等。同時間亦有不少同學離港遊埠順道探望親友，Juliana任慧芬，Lina鄭少雲，游漢雄、Margaret夫婦，Jane鄧秀珍都曾出訪美加，只要知得到的，在地同學都會安排聚舊，熱情招待，務求使到訪同學賓至如歸。

Gradually, some of us are starting to enjoy our retirement, while some are still thinking about it. Time is the essence. We all look forward to having more time to do what we would like to do when career pauses. Many are travelling regularly for leisure. Some are picking up new hobbies like Tai Chi, photography, golf, Chinese medicine studies or volunteering tasks. One of the most exciting engagements in retirement is indeed grand parenting. Baby pictures are shown and admired at gatherings. Conversations are focused on the choice of kindergartens. More babies are in the pipe line. It may not be a bad idea to discuss match making, as the third generation matures.

Occasional free chat meetings are held at home, initiated by Alfred Tsao Chi Fung, Wendy Wong Yan Chun, Cheung Chau Wan, Chu Kuen Kwok, among others. Outings are organized and well attended.

We are trying to collect, or build up a new album of kinship, sharing the joy of a harvesting season with fellow classmates who once copied each other's homework in a hurry, who ate from the home made lunch box as at the North Pole, who played broken tunes on the antique piano on the upper landing. These are all fond memories of the good old days. We also talk about friends who were gone while they were young. They are fondly remembered.

Before we enrol for the reunion in heaven, we shall come to the 'local' gatherings as often as we can and be glad that we are 'down to earth'. Let us try to get the classmates who have not shown up for years to join the gatherings, and share precious moments.

真正的A霸 就在A霸

陳Sir (會考7A, 香港大學醫學院畢業) 及黃Sir (會考5A, 香港大學土木工程系畢業) 兩位畢業於伊利沙伯中學的校友, 在成為專業人士後, 仍不忘作育英才, 攜手創立A霸教室, 務求將自己多年來的奪A心得, 傳授給莘莘學子, 讓他們踏上青雲路。近年, A霸教室更邀得香港大學講師睿Sir (K. Yung) 加盟並親自任教, 令A霸教室更有實力。

英語課堂 - 小組辯論

自備筆記教材 資源齊備

因應不同學生的程度及需要, 本教室會自備筆記及教材。所有教材均是由淺入深, 基礎題可確保同學擁有紮實根基, 而挑戰題則訓練同學如何面對校內艱深的考試。

教材試卷 集名校之大成

另外, 本教室擁有大量與港九名校教材及試卷相似的題目以供操練, 旨在令同學在最短的時間爭取最佳的成績。

A霸的模擬試題

數學課堂：導師課堂指導

舒適環境 小組教學

坊間的補習社, 一班往往超過三四十人, 學習氣氛散漫之餘, 導師更未能瞭解學生的需要。所以, 我們堅持小組教學, 導師便可以因材施教, 學生如有任何問題, 可即時提出, 導師馬上解答, 此之為學習之精髓。教室環境舒適寧靜, 學生學習時自然事半功倍。
